

BROOKVILLE ROAD PARK  
PARK COMMITTEE MEETING

The Village Park Committee met on Wed. 29 April 2009 at 7 p.m. with the following members present:

Alice Kinter, Susie Eig, Carol Coffin, Judy Elliott, Kim Hetherington, Susan Kilborn, Bliss Ryan, Polly Lawrence and Sally Troyer.

Geoff Biddle and Mike Younes were present.

About a dozen Village residents from the East side were also present.

While many issues were discussed and further requests and recommendations to the Board will be made concerning both short and long term problems and plans, the immediate requests to the Board were:

1. That the wire fence be repaired, including the wire on the gate.
2. That wood chips be put down in areas bare of grass as a temporary measure.
3. That the legal possibility of placing posts or barriers in the right of way adjacent to the fence be investigated to prevent vehicles from stopping or parking. Although there is a No Parking sign, it is ignored.
